Announcements: Denise Chrysler informed the Board of Health (BOH) of an upcoming conference.

1. Introduction/Opening Comments- Derrell Slaughter

Derrell wanted to thank Denise Chrysler for a job well done at the BOH/Public Health Code Orientation. Derrell informed the group that there were binders as well as Denise's Power Point and Debbie Edokpolo's Power Point that both have great information. Denise suggested that next time we hold the BOH orientation to possibly do it during a regularly scheduled meeting to increase attendance. Derrell agreed that organizing the orientation to take place during a planned meeting was a good idea.

Derrell asked the group if they would be interested in having one of the BOH's upcoming meetings at one of the school based health centers. This was a suggestion from Nino Rodriguez at the June meeting. Debbie reached out to Anne Scott and it was decided that the Willow Health Center would be a good place to hold the meeting. Derrell asked if there were any thoughts or comments on having the BOH meeting at Willow. Molly voiced her agreement stating that the BOH has not went to any of the school based centers since she has been on the board. Linda mentioned that Willow is not school based but is school linked and the reason that the school based clinics would not work to host a meeting is that there is not space available at the school based clinics for meetings. Derrell would like to see if the meeting at Willow could take place in October, and will keep everyone updated on whether or not that can be arranged.

2. Community Mental Health (CMH) Update- Sara Lurie

Derrell introduced Sara Lurie. Sara thanked the group for inviting her to speak about CMH. Sara has been with CMH for 3 years in October. Sara gave a presentation to the group regarding CMH focusing on funding for their youth and adult programs as well as their screenings and case management that is

available at the jail. Sara also discussed eligibility and access to care. Discussion followed. Derrell thanked Sara for her presentation.

3. Public Health Update- Linda Vail

Due to time constraint a public health update was not given.

Upcoming Events-

Debbie invited the BOH to the upcoming ribbon cutting ceremony to celebrate the opening of our new services corridor at 1:00pm, as well as a media promotion event called I Vaccinate at 10:00am Wednesday, August 15.

Meeting adjourned at 1:00 pm.

Next Board of Health Meeting: 12:00 pm on Tuesday, October 2, 2018 in Conference Room C at the Ingham County Health Department, located at 5303 S Cedar Street in Lansing.
