

FLUORESCENT BULB RECYCLING

- Broken bulbs should be thrown in the trash. Wrap the glass shards in newspaper to prevent injury. Follow directions for clean-up of the broken fluorescent bulbs found at Ingham.org (right side under: Recycling info)
- Fluorescent bulb shapes include circular, U-shaped, compact (CFL) and tube (which include tanning booth, black light, full-spectrum, plant grow, and fish tank lamps) All contain mercury and should be recycled.
- HID (High Intensity Discharge) such as car headlights, mercury vapor and metal halide bulbs should also be recycled.
- All of the bulbs listed above, including CFL's, are accepted FROM RESIDENTS ONLY at most household hazardous waste collections. Contact your County for more information:
Ingham County: 517-887-4521
Eaton County: 517-543-3686
Clinton County: 989-224-5186
- Compact fluorescent lamps (CFL's) can be taken to any of the sites listed on the back.
- Fluorescent bulbs from **businesses, office buildings, non-profit agencies, churches, or government agencies** are *NOT* accepted at the household hazardous waste collections or the Board of Water and Light.

For a fee they can be recycled at:

Cleanlites
665 Hull Rd., Mason
517-676-0044

NOTE: Incandescent, halogen and neon bulbs do NOT contain mercury and can be thrown in the trash. There are no locations in the tri-county area currently accepting these bulbs for recycling.

For more information about compact fluorescent bulbs visit:
<http://www.energystar.gov.cfls>

NOTE: Incandescent holiday string lights can be recycled by shipping them to a company in Jackson, MI. For details, visit their website at www.holidayleds.com
