Topic	Discussion/Summary	
<p><b>Introductions &amp; Background</b></p>	<p><b>Welcome, Ground Rules and Introductions-</b> Renold JeanLouis, conducted round-robin introductions, reviewed Ground Rules &amp; Shared Agreements and gave a reminder of using the raised hand feature in Zoom. There was a brief recap of the meeting minutes from the September 3<sup>rd</sup> IOAPI meeting.</p> <p>IOAPI members provided updates in their areas. Subcommittees/Task Team members provided updates for their groups.</p>	
	<p><b>Agency updates</b></p> <ul style="list-style-type: none"> <li>• Jessica Yorko from ICHHD reported communication between MDHHS and the county, about continuing to expand syringe services programs and other harm reduction programs. Lansing Syringe Access (LSA) and Punks with Lunch (PWL) are authorized in harm reduction &amp; PWL services may be expanding services due to increased funding. ICHHD is also exploring violence prevention initiatives surrounding gun violence. They are working with Advanced Peace (AP), focusing on gun violence prevention. AP will be presenting to the Ingham County Law and Courts Committee in on October 15<sup>th</sup>.</li> <li>• Joel Hoepfner from Community Mental Health (CMH) reported a collaboration with WILX on a social marketing campaign using TV and social media. This campaign will educate the community about their crisis line and free screening platforms to assess overall wellness, possible depression and opioid use disorders among other things. Education focusing on the importance of behavioral health can help to reduce stigma surrounding behavioral health issues as well as how to support others in need.</li> <li>• Jan Bidwell from Lansing P.D. reported shootings have significantly increased this year, with 359 shooting victims to date and 348 shots fired incidences. Total shooting numbers for 2019, were 197 and 183. Drug use is also on the increase, and the community is feeling vulnerable and are struggling mentally.</li> <li>• Nick Toodzio from Mason Capital Area Prescription Drug Taskforce reported that Mason P.D. is filling out the paperwork to move forward with Hope Not Handcuffs program in their area, which had been delayed due to COVID-19.</li> <li>• Dr. Ronald Charles introduced himself as the new Medial Director at the Ingham Community Health Centers.</li> </ul>	

Topic	Discussion/Summary
	<ul style="list-style-type: none"> <li data-bbox="317 155 1955 293">• Nick DeMott gave a Rapid Response (RR) update, reporting this group is a collaboration of members from the sheriff's department, EMS agencies, representatives from Project Assert, Wellness InX, &amp; Sarah and Darrick from ICHD. RR has responded to a few overdose cases, with Darrick following up with the patient via phone. RR is trying to pilot a program that would include a home visit. At this time, they are ironing out some details to streamline the process.</li> </ul> <p data-bbox="317 375 810 402"><b>Subcommittees/Task Team Updates</b></p> <p data-bbox="415 427 1808 454"><b><u>Harm Reduction</u></b>- Team members: Nick DeMott (Coordinator), Sarah Kenney, Dana Watson, Jessica Yorke</p> <p data-bbox="415 500 1976 675">Updates- Nick reported his group would like to shift focus to Rapid Response work by creating a survey to gather information from current substance users within the community. The feedback would identify current available services &amp; unmet needs within the community. Nick and Sarah discussed reaching out to PWL and LSA to possibly utilizing their organizations in some capacity. Jessica Yorke asked to join the group, and mentioned past experience in creating online surveys.</p> <p data-bbox="415 721 2018 784"><b><u>Data Communication and Integration</u></b>- Team Members: Jonas Ndeke (Coordinator), Daryl Green, Amanda Darche, Debbie Edokpolo</p> <p data-bbox="415 829 2018 967">Updates- Jonas emailed, stating that due to his increased job responsibilities related to COVID, he asked for someone else in his group to take over as coordinator. The group has been emailed with this update but there is no volunteer, yet. All members in this group have had increased job responsibilities based on COVID, so they have been unable to meet. Jessica mentioned the possibility of looking for outside funding, and hiring out some of the work outlined by the team.</p> <p data-bbox="415 1029 1955 1092"><b><u>Social and Medical Support- Team Members</u></b>: Jan Bidwell (Coordinator), Justin Caughey, Phil Pavona, Annette Jones, Mike Tobias, Dawn Kepler</p> <p data-bbox="415 1117 1934 1144">Updates- Jan reported that due to an increased workload and a new group of interns, her group has been unable to meet.</p> <p data-bbox="401 1222 1934 1286"><b><u>Prevention and Early Intervention- Team Members</u></b>: Tammy Maidlow-Bresnahan (Coordinator), Nick Toodzio, Joel Hoepfner, Jade Richards, LaClaire Bouknight, Rob Bakus, Andrea Ryan</p> <p data-bbox="401 1331 1990 1433">Updates- Tammy has contacted group members, and she, Nick and Joel are ready to move forward. Jade has been unable to attend meetings based on her current workload and there has been no response from two other members. Andrea Ryan asked to join the group. Tammy will send out a Survey Monkey to the group to try to solidify an upcoming meeting time, soon.</p>

Topic	Discussion/Summary
	<p><b>Future Direction of IOAPI</b></p> <ul style="list-style-type: none"> <li>• Renold asked what direction the group would like to take as we move forward. IOAPI meetings have followed the format that odd months are dedicated to guest speaker presentations, and even months focused on task team work. We asked and suggested using Zoom break out rooms for task team meetings on even months. This suggestion received positive feedback from the group.</li> <li>• Renold asked the group for their opinion on whether it makes sense to change the IOAPI monthly meeting to a quarterly or twice a year meeting to increase member participation. Some feedback included that quarterly meetings may work a bit better for the overall group, another suggested that at each meeting, the last 30 minutes could be used for the task teams' meetings. The conversation concluded without a consensus to change the current structure and therefore, the current schedule will remain the same going into the New Year. Renold mentioned that if there are any changes, it will happen in the New Year.</li> <li>• Jessica asked for suggestions or recommendations for next year's guest speakers. Melea suggested for guest speakers, she would like information that focuses on marijuana use and how this correlates with opioid use and the use of heat mapping. Jonas mentioned that the heat map was ready for use.</li> </ul>
<b>Action Items</b>	<ul style="list-style-type: none"> <li>• Find a new coordinator for Data Communication and Integration group.</li> </ul>
<b>Closing and Outros</b>	<p>Next Zoom Meeting: November 5, 2020 from 11-12:30 with guest speaker, Melea Bullock. Renold JeanLouis will send an update when it gets closer to the date.</p>
