

Emergency Order (Ingham 2020-15) - Frequently Asked Questions

What restrictions does this order establish?

Under [Emergency Order Ingham 2020-15](#), outdoor social gatherings and organized events may not exceed 25 people within the area extending south from Burcham Drive to the northern edge of the MSU campus and the area located between Harrison and Hagadorn roads. Where Burcham Drive ends at Abbot Road, the north boundary extends in a straight east/west line from the end of Burcham Drive to Harrison Road.

It's important to note that the boundary includes properties on or adjacent to both sides of the bounding streets (i.e. north and south sides of Burcham Drive, east and west sides of Hagadorn and Harrison roads). See boundary map in [Ingham 2020-15](#) for more information.

Why are outdoor social gatherings and organized events being further restricted in this area?

Historically, the area identified in this order has had the highest frequency of noise ordinance violations due to large house parties. Large social gatherings like house parties have demonstrated an increased public health risk during the COVID-19 pandemic, with potential for further outbreaks and super-spreading events.

What about indoor social gatherings and organized events in the restricted area?

Currently, indoor social gatherings and organized events in this area are limited to 10 people not from the same household per Gov. Gretchen Whitmer's [Executive Order 2020-160](#). All gatherings, indoors and out, must be designed to ensure that people from different households maintain a social distance of at least six feet.

What about indoor and outdoor social gatherings in the rest of the City?

Currently, social gatherings and organized events in the rest of the City (the area outside of the beige shaded area on the boundary map – insert link) are limited to 10 people not from the same household indoors and 100 people not from the same household outdoors per Gov. Gretchen Whitmer's [Executive Order 2020-160](#). All gatherings, indoors and out, must be designed to ensure that people from different households maintain a social distance of at least six feet.

Are there exceptions/exclusions to this order?

Schools, childcare organizations, community centers, places of religious worship, farmers markets and parks within the area are exempt from the order, but must continue to comply with the 100-person outdoor limit per [Executive Order 2020-160](#). Bars and restaurants are also exempt from this order as they are categorized as separate from social gatherings.

Are there penalties for disregarding this order?

Yes. Those who disregard the order could be subject to a misdemeanor punishable by imprisonment for not more than six months and/or a fine of up to \$200.
